Patient Instructions: Preparing for Your Consultation / First Visit

WHAT TO BRING:

- **Referral slip** (if you were referred)
- **X-rays / CT Scans:** If your dentist or physician provided you with either, please bring
- **Complete list** of medications you are taking and the dosage of each.
- **Insurance Cards:** If you have medical or dental insurance, bring the necessary completed forms.
- **Parent / Guardian:** Patients under the age of 18 must be accompanied by a parent or legal guardian at the consultation visit.
